- To promote use proper Mask wearing, Hand washing, Sanitization and social distancing
- To help needy people to access proper food from community kitchen centre
- Ensuring proper guideline of lockdown
- Listing of Widows woman, single woman, disable persons , pregnant woman lactating mother

Awareness about corona pandemic virus infection & prevention:-

Pragati Gramin vikas Samiti (PGVS) / Ekta Parishad is working on corona pandemic (Covid-19) Second Phase 2021 in 12 district of Bihar (Patna, Bhojpur,

Buxer, Arwal, Jahanabad, Gaya, Jamui, Banka, Madhepura, Katihar , West Champaran, Mujaffarpur from 5th may 2021 after announcement of Lockdown)During last 25 days we reached 2500 family directly for awareness . mobilization and promote social distancing, Mask distribution and soap distribution

Support PHC Team to organize Health Camp (Corona test and Corona vaccination) In poor and dalit people .

PGVS has taken initiative to organize health Camp in Agiaon in Bhojpur District, Naubatpur in and Danapur in Patna District, Sikandra block in Jamui district

Corona Test and Vaccination Camp in Shivchak village in Danapur Block of Patna District

Corona test and Vaccination Camp In Ajawan village in Naubatpur Block of Patna District.

Corona test And vaccination Camp in Agiaon Bhojpur District Bihar.

During the campaign PGVS Team collecting list of widows, disable persons , single woman, pregnant woman and lactating mother from most deprived and needy families ,

In Danapur ,Naubatpur and Bihta Block under Patna District , PGVS Mobilised 1500 people including 550 woman for corona test and some for vaccination .

In Bhojpur Agiaon Block PGVS Volunteer organized camp and help to PHC team for corona test and vaccination .

In Sikandra Block of Jamui District PGVS Volunteer also help to Doctors of PHC in corona testing and vaccination

During the period some confusion in poor family regarding vaccination . PGVS is trying to aware them for positive response . The Lack of awareness many of dalit people not interested for corona testing and vaccination .

There is hunger issue is most important for them because they are landless agricultural labour PGVS/Ekta Parishad members are going door to door and

meet household and requesting them for visit PHC and vaccination centre for test and dose .

PGVS/ EP Team Member also promote for proper using mask, practicing hand washing , use sanitizer and social distancing .Here in Bihar Complete Lockdown from 5th may ,2021 and extended for 8th June 2021

Help needy people to access food from community kitchen :-

PGVS Team support to govt for conducting Community kitchen at block level in area ,They help them to reach centre and take food day and night . In Patna district all block head quarter conducting community kitchen by Govt and more than hundreds of people taking benefits from centre every day .

The poor people need proper health facilities nitrated food for children lactating mother and pregnant woman.
